

Silicone All Purpose

100% RTV All Purpose Silicone sealant for a range of general sealing and glazing applications. It provides a strong adhesion and suitable for use on common non-porous building materials.

- 100% Waterproof
- Shrink & Crack Proof
- Mold & Mildew Resistant

Neutral Cure Silicone Sealant

High-performance, silicone filling and sealing material widely used in constructions and buildings, cured in neutral systems.

- 100% Silicone
- Exterior & Interior
- Excellent Adhesion

Premium Caulk Siliconized

Single component general purpose acrylic- dispersion based sealant reinforced with silicone emulsion. Superior adhesion and permanently flexible.

- All Purpose
- Paintable
- Crack Proof

Kitchen & Bath 100% Silicone

Quality Kitchen and Bathroom Silicone Sealant for use in humid environments such as kitchens and bathrooms.

- Waterproof
- Mould & Mildew Resistant
- Shrink & Crackproof

Monster of tough jobs

Smart, Strong, Fast

FastCoat Fire Rated Spray Foam Insulation

Provides a unique, monolithic thermal insulation application without junctures, seams and gaps. An innovative alternative to traditional building insulation methods such as polystyrene heat insulation boards, glass wool and rock wool. Single-component product used with an applicator gun.

- Yield up to 20 bdft with 1inch thickness
- Fire Rated
- R-Value 5.66 per inch (0.025 W/[m.K])

Professional Gap Filler (Door&Window)

Single component polyurethane Foam used with an applicator gun and features higher yield, easier application and reusability.

- Low Expansion & High Yield
- For Gaps & Cracks
- Easy To Trim, Sand And Paint

Foam Cleaner

Solvent mixture to remove fresh polyurethane foam and clean the polyurethane foam gun adapter after the application. Cleans surfaces, clothes, window & door frames and prevents the foam cure in the gun adapter.

- Powerfull Cleaning
- Quickly Effects

Extreme Fire Block Gun & Straw Foam Sealant

Single component, moisture curing, self-expanding, ready to use polyurethane foam with propellants which are completely harmless to ozone layer. Recommended for sealing applications where fire resistance is required.

- High Filling Capacity
- Excellent Adhesion

Black Foam Sealant- Adhesive Waterfall&Landscape

Top quality filling and assembly foam with a special formulation that can be applied at low temperatures. The foam provides an airtight seal by filling even hard-to-reach gaps. When insulation is completed, heating and air conditioning costs are reduced.

- Waterproof
- Easy Application
- No shrinkage
